

MASTER YOUR FUTURE

YOU'RE COMING TO THE END OF YOUR UNDERGRADUATE DEGREE AT SURREY – **CONGRATULATIONS**, WE'VE LOVED GETTING TO KNOW YOU!

You have so many choices for your future. Continue with your studies, or enter the workforce? Stay with the subject you know, or study something totally new? Try another university, or stay at Surrey?

Postgraduate study will help you deepen your knowledge of the subject you love, gain a sought-after qualification and increase your earning potential.

Students stay at Surrey for many reasons. They appreciate our supportive community, student life and high levels of employability. They've already developed great relationships with teaching staff, who are leading researchers in their field and bring a unique expertise to postgraduate study. As a Surrey student you may also be eligible for a 20% discount on our taught masters programmes.

5 REASONS TO STAY AT SURREY

- 1 Our supportive community
- 2 Our focus on employability
- 3 20% alumni discount for eligible students
- 4 Your established relationships with teaching staff
- 5 Your familiarity with our campus and facilities

Follow the journeys of three students who decided to switch subjects and pursue postgraduate study at Surrey:

MPhys Physics to
MSc Entrepreneurship

BSc International Events
Management to MSc Human
Resources Management

BA English Literature to
MSc Social Psychology
